## Klassical Kids Camp

For students entering 2nd through 8th grade.

Monday, 7/27 through Friday, 7/31: 8:30am -5:00 pm  
with a Closing Performance – Friday 7/31 at 3:00

Klassical Kids is a unique opportunity for children to develop musical skills in a creative environment incorporating movement and drama. Basic musicianship classes will teach students sight reading, rhythmic reading, and elementary theory. These skills will be re-enforced by playing instruments and ensemble participation. An emphasis will be placed on developing children's choral skills in preparation for membership in the State Street Academy Children's Ensembles.

Guest musicians will be featured in recitals and demonstrations throughout the week.

A daily schedule will include sessions in Basic Musicianship, Drums/Recorder, Movement, Drama, and Choral Ensemble. Guest and student recitals will close each day.

We will end the week with a demonstration/performance of the week's accomplishments. This will include a choral performance and inter-related 'arts' projects and performances.

Students should bring a lunch each day. Drinks and healthy snacks will be provided.

## Elementary School Piano Camp

Monday, 8/3 through Thursday, 8/6: 1:30-4:00 pm, with a Closing Recital – Friday 8/7 at 1:30

The Theme:

**Question: What makes this piano sing?**

**Answer: ME!**

This Camp will focus on how to be an expressive and intelligent pianist. By the end of the week, each student will have explored expressive elements found in music and the technique necessary to accomplish them through interactive discussions, listening activities, lessons, and games. Each student will be involved in composing a piece of music that includes musical elements of their choosing. Students will also be placed in duet, trio, or quartet combinations for performance at the Friday recital.

## Middle School Piano Camp

For students entering 4th through 8th grade, with at least 2 years of previous piano experience.

Monday, 8/3 through Friday, 8/7: 8:30 to 12:30 with a Closing Recital – Friday 8/7 at 1:30

The Theme: **Being an Expressive & Intelligent Pianist**

How do we take what we see on a page of notes and turn it into music? This Camp will explore expressive elements and the technique necessary to perform them, elements of musical character found in different pieces of music, how to be an intelligent listener, and what it means to take responsibility for our own playing. By the end of the week, students will have explored these ideas interactively and incorporated them into a solo piece of their choosing. Students will also be placed in duo or trio combinations for performance at the Friday recital.

Thursday's Schedule will include the very popular  
MUSICAL OLYMPICS
